Your Ancaster Dundas Flamborough Westdale local Liberal Riding Association proudly presents to you:

"How to care for an aging parent effectively".

This evening will be the second of four planned community speaker forums for 2014-2015.

I promise this evening will be an exciting interactive forum. It will be hosted at St. Joseph's Villa, with each of the three speakers having valuable firsthand knowledge of the system.

The system is full of alternatives, but knowing where to look or even who to ask, appears to be a major challenge facing families.

The focus of this talk is to inform us all, so we can more quickly and effectively navigate the system if we are ever faced with crisis in our family.

The Panelists:

- David Bakker, is the Chief Financial Officer at St. Joseph's Villa, and is the acting interim president.
- Tracey Davidson, who is the Intake Coordinator at St. Joseph's Villa, who's role includes helping families and their loved ones with the intake process.
- Tamara Johnson, is the Director of Community Programs and Services at St. Joseph's Villa, working within the Hamilton, Brant, Burlington, Haldimand, and Niagara Region.

When: November 26, 2014 at 7pm.

Where: The Main Auditorium, St. Joseph's Villa (56 Governor's Road, Dundas)

We ask that you RSVP, so we can ensure enough refreshments are provided.
